Subject: NowThis Inquiry: New EPA research rule

Hello,

My name is Kavish and I am a producer with NowThis Future where I cover science and tech news.

I'm reaching out to see if Dr. Jennifer Orme-Zavaleta would be willing to do an interview over Skype regarding Scott Pruitt's rule [proposal](#) regarding transparency in research.

I saw that Dr. Orme-Zavaleta, among many other scientists, signed a [letter](#) urging Pruitt to reconsider the rule.

An example of our Skype interview can be seen [here](#).

Let me know if this is a possibility. Looking to do this on Monday, April 30.

Thank you!

Best,
kavish harjai
